SELECTMEN'S REPORT

To the Citizens and Taxpayers of Gilford :

We present herewith the annual reports of the Selectmen and the Treasurer, the Town Clerk, Collector of Taxes, Trustees of Trust Funds, also the reports of other Town Officers and Committees, and the annual report of the School Board for the fiscal year ending January 31, 1931.

Our recommendations for the ensuing year are the result of careful consideration of both present and future needs of our Town.

During the year just closed, it seemed necessary to purchase new Snow Removal Equipment, as authorized at the last Town Meeting. After careful investigation we purchased Equipment that, in our estimation was the most efficient and economical of any brought to our attention.

The new bridge on the Weirs Road has been completed, and it seems to us that it is advisable to continue construction on that Road as fast as possible, and to take advantage of new legislation giving us a larger proportion of help from the State.

We recommend the following appropriations for the ensuing year.

Current Maintenance Expenses	\$3,000.00
Support of Public Library	250.00
Old Home Day	100.00
Highways and Bridges	8,500.00
For improving Village Road	500.00
State Aid Construction	1,649.00
Aid to Town Poor	500.00

Trunk Line Maintenance	3,000.00
State Aid Maintenance	1,000.00
Payment of Note maturing on Snow Removal Equipment	2,600.00

Respectfully submitted,

CLARENCE V. HENDERSON,
WILLIAM I. HARRIS,
JOHN A. HAMMOND,

Selectmen

REPORT OF GILFORD PUBLIC LIBRARY

To the Citizens of Gilford :

The undersigned, trustees of Gilford Public Library, respectfully submit the annual report of Lizzie A. Sanborn, Treasurer, showing the financial condition of the library for the fiscal year ending February 15, 1931, together with the report prepared by Mrs. Grace L. Weeks, Librarian.

New books have been added including philosophy, religion, travel, poetry, essays, education, amusements, history, biography, and fiction. Also books have been loaned by the New Hampshire Public Library Commission. We are indebted to Mrs. F. W. Johnson of Lakeport, N. H., Rev. Nicholas Frost, Mrs. Helene S. F. Watson, and Mrs. Carrie K. Morrill, all of this town, for gifts of books; to Mrs. W. A. Jackson of Gilford and Cambridge, Massachusetts, and Mrs. Stanton Owen of Laconia, N. H., and Gilford, for books and magazines; to Mr. Franklin Potts of Media, Pennsylvania, and Gilford and Mrs. Reuben Yeaton, for magazines.

A wall has been built at the entrance to the basement and a settee purchased for the entrance hall. Through the generosity of Mrs. W. A. Jackson, the lawn has been well cared for. Helpful suggestions were received from visiting representatives of the New Hampshire Public Library Commission, Dorothy Annable and M. Elizabeth Gleason.

During this year our esteemed colleague, Charles H. Collins, passed to the great beyond. Mr. Collins had always taken his duties as trustee very seriously and had been unsparing of his time and effort. He has been greatly missed as a member of this board.

A new filing system, a set of modern reference books, and a toilet for the building are the present needs.

We wish to thank all who have contributed to the library
in any way during the past year.

Respectfully submitted,

LIZZIE A. SANBORN,
EUNICE L. HUNT,

Trustees Public Library

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Gilford :

I herewith submit my annual report as superintendent of schools. This is the twelfth such report which I have had the pleasure of submitting to you.

Statistics :

	1928-29	1929-30
No. children between ages of 5 to 16	148	148
Total enrollment in local schools	66	70
Boys	40	39
Girls	26	31
Average membership	58	63
Per cent. of attendance	95	94
Tardinesses	129	281
Visits by superintendent	90	88
Expenditures—all purposes	\$10,396.39	\$10,063.33
Teachers' salaries	3,403.18	3,450.00
Transportation	1,114.00	1,148.00
Elementary school tuition	1,955.50	2,114.50
High school tuition	1,854.90	1,610.00

Attendance :

In general the daily attendance of pupils during last year continued to be good although there was a drop of one point in the per cent. of attendance over that of the previous year. However, the only pupil who maintained a perfect record for the entire year was Bertha Burbank of the Lily Pond school. She deserves special commendation.

In the matter of tardinesses the record is poor. There seems to be no justification for this considerable increase. One school seems to be largely responsible.

Closing Exercises:

The well established custom of all the schools uniting in closing exercises at the end of the school year is one which brings pleasure and profit to the children, as well as to parents and friends. A program well arranged and prepared was presented by the schools on the evening of June 20 last. Certificates of attainment were awarded by the school board to the three pupils completing the work of the eighth grade. The members of the class of 1930 were as follows:

No. Nine
Village

Elmire M. Drouin
Dorothy L. Berry
Arthur E. Haskell

There is satisfaction in being able to report that all three of these pupils entered Laconia High School in September.

Teachers:

Two of our teachers resigned in June, Miss Mary Coffey, who had been with us two years, and Miss Helene Martin, who had been with us three years. Miss Coffey left us to take up other work which she had long in mind, and Miss Martin to establish a home. We wish them both success and happiness. The vacancy at the Village school was filled by the appointment of Miss Anna Furey, whose home is in Lowell, and who is a graduate of the Lowell Normal school. Miss Esma Ford of Laconia, a graduate of the Keene Normal school, was appointed to fill the vacancy at the Lily Pond school. Three of our present corps of teachers have each had three years of Normal school training. This is somewhat unusual.

The following table shows the teacher assignment and enrollment in the several schools at the present time.

School	Teacher	Salary	Enrollment
Village	Anna Furey	\$800	17
No. Nine	Teresa Corcoran	800	9
Intervale	Eunice L. Hunt	850	10
Lily Pond	Esma Ford	850	17

Gilford Children in Laconia Schools:

As shown above our total enrollment at the present time in the local schools is but 53. Gilford children enrolled in the elementary grades in Laconia number 61, 45 in grades one to six and 16 in grades seven and eight. While the cost for the tuition of these children has reached a considerable amount—as indicated in the expenditures—there seems to be no question but that the present arrangement is the most satisfactory that can be made.

In addition to the children enrolled in the grades at Laconia there are 27 Gilford boys and girls enrolled in the Laconia High school.

Lily Pond:

The crowded conditions at the Lily Pond school caused considerable concern a year ago. To relieve this situation the school board assigned the children living west of the railroad crossing to the Lakeport schools, the school board, of course, assuming the tuition obligation. Transportation was necessary in only one case, and this involved only a small expenditure. The enrollment at this school now is not unreasonably large. It might be possible to accommodate a few additional pupils if the heating arrangements were improved.

Sale of Buildings:

The school meeting last year instructed the school board to dispose of such of the unused school buildings as seemed advisable as opportunity presented. The school board has already sold the Watson and Wilkinson buildings, for \$150

and \$200 respectively. Neither of these buildings have been used by the school district for several years and there seemed little likelihood of their ever again being needed. This money may very well be used for the improvement of school buildings now in use.

Improvements Needed:

Toilets at the Lily Pond school ought to be replaced. The condition of those now in use is not satisfactory. A jacketed stove should replace the one now in use in this school room. The approach from the road to the school yard could be much improved with little expense.

The Village school room would be much improved if re-fitted with window shades such as we now have at Lily Pond and the Intervale.

Additional black-board space could be used to advantage at the Intervale school.

The No. Nine school is poorly lighted. A cloudy day is a trial to both teacher and pupil. Light could be easily installed and would prove very serviceable on many days, especially during the late fall and winter months.

East Gilford:

We now have five children of school age in the East Gilford community. These children are transported to the Intervale school. It is probable the number will be increased another year, this may raise the question of the reopening of the East Gilford school.

School Nurse:

In my last report I called attention to the good work accomplished in many school districts by the school nurse and recommended that some arrangement might well be made so that we could have the part-time services of such a nurse in the Gilford schools. It has been our custom in recent years to have the annual medical examination of the

school children made by a physician. A nurse might very well make this inspection as is done in Laconia, and she would be available to do the follow-up work which is of great importance. I wish to renew the recommendation.

Finances:

The following table makes possible a comparison of the budget of this current fiscal year with that proposed for next year.

	1930-31	1931-32
Teachers	\$3,500.00	\$3,500.00
Text-books and supplies	200.00	175.00
Flags	15.00	15.00
Other expenses of instruction	15.00	15.00
Janitors	72.00	72.00
Fuel	240.00	200.00
Repairs	200.00	200.00
Health supervision	30.00	30.00
Transportation	1,250.00	1,300.00
Elementary tuition	2,000.00	2,300.00
High school tuition	2,000.00	2,000.00
Officers	157.00	157.00
Superintendent's excess salary	230.00	230.00
Per capita tax	282.00	294.00
	<hr/>	<hr/>
Total	\$10,191.00	\$10,488.00
Deduct estimated income	548.60	808.60
	<hr/>	<hr/>
Appropriation recommended	\$9,642.40	\$9,679.40

It is to be noted that an increase of \$300 appears in the budget for next year for elementary school tuition. The reason for this is obvious. In other respects the budget proposed for next year is practically the same as this year's budget. The total amount recommended to be appropriated is only \$37.00 in excess of last year's appropriation.

There is sufficient school money available to complete the school year which ends in June, and it is probable that there will be a substantial working balance left in the treasury at that time.

Again I wish to thank all who have helped to make this school year a profitable one.

Respectfully submitted,

CHANNING T. SANBORN,

Superintendent of Schools
